

MEMBERSHIP APPLICATION/ PRODUCER RESPONSIBILITY TRANSFER TO ICT PRODUCER CO-OPERATIVE

We apply for membership in ICT Producer Co-operative. We agree to commit to rules and [regulations](#) of the co-operative and to take care of the responsibilities. Alike we approve of the co-op's right to revise the authenticity of member company's reports.

Producer responsibility is transferred and membership begins when the application has been approved according to ICT Producer Co-Operative's [regulations](#).

Companies that also put portable batteries, accumulators or electrical and electronic equipment containing batteries/accumulators on the Finnish market need to make a separate producer responsibility transfer agreement with [Recser Ltd.](#)

From [Center for Economic Development Transport and the Environment](#) you can check if other producer responsibilities in the Finnish Waste Law concern your company:

INSTRUCTIONS FOR FILLING THE FORM

Auxiliary company names: Name of auxiliary company/companies, related to electrical and electronic field.

Affiliates: If there are affiliates that the company wants to register under parent company's membership, then an [Affiliate Form](#) must be attached to membership application. In this case, products put on the market by affiliates must be reported on the parent company's form.
